Materials Plus is the leading supplier of high-end interior design products & furniture in Oman with sales of several million USD annually. Because of our excellent local reputation and because of the niche commercial projects we go after, we choose to only represent a select number of reputable international suppliers.

Representing some of Europe's most prestigious manufacturers & artisans, we collaborate closely with architects, interior designers & contractors in the Middle East to provide custom solutions for major commercial & residential projects.

We provide Italian office furniture, elegant sound absorbing acoustic panels, beautiful wooden & high-tech flooring, innovative wall cladding & many other niche products.

**Our success is based on our professional services & certain characteristics which we can offer our clients:**

1. An active Sales Team and modern Offices & Showroom
2. Relationships with all Architects, Consultants and Contractors in Oman
3. Specialized Team of Fitters to assist Contractors or to do Client Installations
4. Ministerial Licenses & Share Capital levels to enable participation in Tenders
5. In-house Sales Support Interior Designers to work with Client Specifications
